SUBJECT INDEX

Achondroplasia
and spinal abnormalities (Siebens, Hungerford and Kirby), 205
Aldosterone
integrated concentration in essential hypertension (Kowarski et al.), 35
Allergy
to bee venom (Lessof, Sobotka, and Lichtenstein), 1
Allescheria boydii
in maxillary sinus infection (Hecht and Montgomerie), 107
Amikacin
nephrotoxicity induced by (Smith et al.), 85
Amino acids
and infant nutrition (MacLean, Placko and Graham), 147
Amphotericin B
as therapy for *candida* meningitis (Chesney, Justman and Bogdanowicz), 155
Arthritis
and serious group B beta-hemolytic streptococcal infections in adults (Nicklas, J. M.), 39
Bee venom anaphylaxis
and effects of passive antibody (Lessof, Sobotka, and Lichtenstein), 1
Book reviews
Color Atlas of Human Anatomy, 97
Current Trends in the Management of Breast Cancer, 188
Fighting Infection: Conquests of the Twentieth Century, 188
Helping Troubled Children, 23

Nuclear Cardiology: Principles and Methods, 24
Pediatric Hematology, 187
The Patient's Guide to Surgery, 97
Candida
meningitis in infants (Chesney, Justman and Bogdanowicz), 155
Cardiovascular function
motion-picture display of (Wagner et al.), 61
Carotid body tumor
and "low altitude" risk of cyanotic heart disease (Nissenblatt, M.J.), 18
Carroll, Douglas G., Jr.
obituary, 85
Chemodectoma
and "low altitude" risk of cyanotic heart disease (Nissenblatt, M. J.), 18
Chemotherapy
in childhood leukemia (Zuelzer), 115
Clinical conferences at The Johns Hopkins Hospital
Alpha-1-antitrypsin deficiency, 67
Celiac disease, 128
Clinical-pathological conference, 138
Clinical-pathological conference, 190
Paroxysmal nocturnal hemoglobinuria, 218
The management of increased intracranial pressure, 99
Thallium poisoning, 27
Coronary endarteritis
and epicardial nodules with hypoplastic right heart syndrome (Vigorita, V.), 215
Cross-infection
and nosocomial bacteremias (Spengler, Greenough and Stolley), 77
Cutaneous hemangiomas
association with chronic lymphocytic leukemia (Hoffman, Chasko and Safai), 91
Cyanotic heart disease
and carotid body tumor (Nissenblatt, M. J.), 18
Cyclophosphamide
and acute leukemia (Hochberg and Shulman), 211
Epicardial nodules
and coronary endarteritis (Vigorita, V.), 215
Flucytosine
as therapy for *candida* meningitis (Chesney, Justman and Bogdanowicz), 155
Gentamicin
nephrotoxicity induced by (Smith et al.), 85
Hemodialysis
in treatment of methicillin-induced renal failure (Platia and Whelton), 152
treatment for paraquat poisoning (Spector et al.), 110

Hypertension
and integrated concentrations of plasma renin activity and aldosterone (Kowarski et al.), 35
Hypoplastic right heart syndrome
marked by epicardial nodules (Vigorita, V.), 215
Infants
candida meningitis in (Chesney, Justman and Bogdanowicz), 155
Infant nutrition
and fasting plasma free amino acids (MacLean, Placko and Graham), 147
Infection
with *Allescheria boydii* (Hecht and Montgomerie), 107
Integrated concentration
of plasma renin activity and aldosterone in essential hypertension (Kowarski et al.), 35
Intensive care
neonatal (Mazzi, Herrera, and Herbert), 15
Inulin
concentration in kidney (Whelton and Walker), 8
John Hopkins medical vignettes
Pioneer American virologist—Charles E. Simon (Harvey, A. McG.), 161
Snake venom and medical research—Some contributions related to The Johns Hopkins University School of Medicine (Harvey, A. McG.), 47
Kidney
drug concentrations in (Whelton and Walker), 8
Letters to the editor, 22
Leukemia
in childhood (Zuelzer), 115
and cyclophosphamide therapy (Hochberg and Shulman), 211
Lumbosacral lordosis
and achondroplasia (Siebens, Hungerford and Kirby), 205
Meningitis
candida, in infants (Chesney, Justman and Bogdanowicz), 155
and serious group B beta-hemolytic streptococcal infections in adults (Nicklas, J. M.), 39
Methicillin
neophropathy induced by use of (Platia and Whelton), 152
Neonate
intensive care and radiation (Mazzi, Herrera and Herbert), 15
Neoplasia
associated in blue rubber bleb nevus syndrome (Hoffman, Chasko and Safai), 91
Nephropathy
methicillin-induced (Platia and Whelton), 152
Nephrotoxicity
induced by gentamicin and amikacin (Smith et al.), 85
interpretation of (Whelton and Walker), 8
Neural crest tumors
and "low altitude" risk of cyanotic heart disease (Nissenblatt, M. J.), 18
News and notes
Obituary: Douglas G. Carroll, 95
Obituary: E. Cowles Andrus, 224
Nosocomial bacteremia
descriptive study of (Spengler, Greenough and Stolley), 77
Nuclear images
cinematic display of (Wagner et al.), 61
Para-aminohippuric acid
concentration in kidney (Whelton and Walker), 8
Paraquat
fatal poisoning with (Spector et al.), 110
Passive antibody
in bee venom anaphylaxis (Lessof, Sobotka, and Lichtenstein), 1
Penicillins
concentration in kidney (Whelton and Walker), 8
Petriellidium boydii
and maxillary sinus infection (Hecht and Montgomerie), 107
Protein quality
and infant nutrition (MacLean, Placko and Graham), 147

Radiation
and neonatal intesive care (Mazzi, Herrera and Herbert), 15
Renin
integrated concentration in essential hypertension (Kowarski et al.), 35
Rheumatoid arthritis
treatment with cyclophosphamide (Hochberg and Shulman), 211

Scintillation camera
and nuclear images (Wagner et al.), 61
Sepsis
hospital-acquired (Spengler, Greenough and Stolley), 77
Sinusitis
and *Allescheria boydii* (Hecht and Montgomerie), 107
Sjögren's syndrome
and cyclophosphamide (Hochberg and Shulman), 211
Streptococcus
infection with group B, agalactiae in adults (Nicklas, J. M.), 39
Tissue concentrations
of paraquat (Spector et al.), 110
Treatment
of achondroplasia (Siebens, Hungerford and Kirby), 205

SUBJECT INDEX

Acute cor pulmonale
and use of echocardiography (Steckley, Smith and Robertson), 122
Adenocarcinoma of the appendix
with bilateral Krukenberg ovarian tumors (Paone, Bixler and Imbembo), 43
Angiotensin system
action and function of (Peart, W. S.), 193
Ankylosing spondylitis
and absence of back pain (Hochberg, Borenstein and Arnett), 181
Apnea
during daytime naps (Wynne et al.), 3
Appendix
adenocarcinoma of (Paone, Bixler and Imbembo), 43
Art of healing
preparation for in medical school (Tumulty, P. A.), 140
Asplenia
and fulminant pneumococcal bacteremia in a patient undergoing chronic hemodialysis (Latos and Stone), 165
Atherosclerosis
in Columbia, Maryland population study (Kwiterovich, Chase and Bachorik), 32

Back pain
in ankylosing spondylitis (Hochberg, Borenstein and Arnett), 181
Bacteremia
in an asplenic patient undergoing chronic hemodialysis (Latos and Stone), 165
Book reviews
An Introduction to Epidemiology, 106
Biology of Aging, 17
CRC Atlas of Scintimaging for Clinical Nuclear Medicine, 146
External Infections of the Eye: Bacterial, Viral, and Mycotic, 105
Malignant Melanoma of the Skin and Mucous Membranes, 146

Celiac disease
letters to the editor, 144
Cell surface receptors
and familial hypercholesterolemia (Goldstein and Brown), 8
Cholesterol
levels in Columbia, Maryland population study (Kwiterovich, Chase and Bachorik), 32
Cholestyramine
use in treatment of antibiotic-associated pseudomembranous colitis (Kreutzer and Milligan), 67
Chronic hemodialysis
and fulminant pneumococcal bacteremia in an asplenic patient (Latos and Stone), 165
Chronic obstructive pulmonary disease
and oxygen desaturation during daytime naps (Wynne et al.), 3
Clinical conferences
Cor pulmonale, 171
Gram-negative bacillary meningitis, 60
Hypokalemic periodic paralysis, 148
Pancreatic pseudocyst, 109
Prostatic carcinoma, 207
Status asthmaticus, 19
Coronary care units
letters to the editor, 104
Cor pulmonale
clinical conference (Summer and Ziminski), 171
Corticospinal tract
pathological changes in members of a large kindred (Sack, Huether and Garg), 117

Diabetes mellitus
pathogenesis and complications (Cahill, G. F., Jr.), 155

Echocardiography
and the presence of pulmonary thromboembolism (Steckley, Smith and Robertson), 122
and misleading signs of mitral valve dysfunction (Carliner et al.), 160
Editorial
Arber, Smith and Nathans: Nobel laureates in medicine and physiology, 1978 (Desiderio, S. and Boyer, S.) ix (Vol. 143, No. 5)

Gram-negative bacillary meningitis
clinical conference (Lietman and Cannon), 60
Graphical method
use in estimation of platelet survival (Bolling and Murphy), 25

Hirschfelder, Arthur D.
vignette (Harvey, A. McG.), 129
Hypercholesterolemia
and genetic defect in a cell surface receptor (Goldstein and Brown), 8

Hyperlipidemia
in Columbia, Maryland, population study (Kwiterovich, Chase and Bachorik), 32
Hypokalemic periodic paralysis
clinical conference (Johns and Charness), 148

Immunosuppression
and pneumocystis pneumonia (Hughes, W. T.), 184
Increased intracranial pressure
letters to the editor, 169

Johns Hopkins medical vignettes
Arthur D. Hirschfelder—Johns Hopkins's first full-time cardiologist (Harvey, A. McGehee), 129
G. Canby Robinson: Peripatetic medical educator (Harvey, A. McGehee), 84

Krukenberg tumors
and adenocarcinoma of the appendix (Paone, Bixler and Imbembo), 43

Letters to the Editor
Celiac disease, 144
Coronary care units, 104
Increased intracranial pressure, 169
Rickettsial diseases, 58
Lipoproteins
genetic defect in a cell surface receptor (Goldstein and Brown), 8

Mental status
changes caused by propranolol (Peters et al.), 163
Myelin
and development of a cellular approach to neurological disease (McKhann, G. M.), 48

Neurological disease
a cellular approach (McKhann, G. M.), 48

Orthotopic liver transplantation
survival rate with (Starzl, T. E.), 73
Oxygen desaturation
during daytime naps (Wynne et al.), 3

Pancreatic pseudocyst
clinical conference (Bynum et al.), 109
Paraplegia
familial spastic (Sack, Huether and Garg), 117
Phonocardiography
and misleading signs of mitral valve dysfunction (Carliner et al.), 160
Platelet survival
estimation of (Bolling and Murphy), 25
Pneumocystis carinii
diagnosis and treatment of pneumocystis caused by (Hughes, W. T.) 184
Pneumonitis
diagnosis and treatment of (Hughes, W. T.), 184
Propranolol
and changes in mental status (Peters et al.), 163
Prostatic carcinoma
clinical conference (Walsh et al.), 207
Prosthetic heart valve
misleading noninvasive signs of dysfunction (Carliner et al.), 160
Pseudomembranous colitis
and use of cholestyramine (Kreutzer and Milligan), 67
Pulmonary thromboembolism
and right ventricular overload (Steckley, Smith and Robertson), 122

Renin-angiotensin system
and effects of vasodilatation and vascoconstriction on renin release (Peart, W. S.), 193
Rickettsial diseases
letters to the editor, 58
Robinson, G. Canby
vignette (Harvey, A. McG.), 84

Serratia marcescens arthritis
treatment with trimethoprim–sulfamethoxazole (Nair et al.), 126
Spasticity
studies in a large kindred (Sack, Huether and Garg), 117
Status asthmaticus
clinical conference (Sylvester, Beary and Zerhouni), 19
Suction device
